JAY SCOTT

Awarded Prize In Economic Geology

A graduate this year of the University of Alberta with the degree of B.Sc., in Arts and Science (Geology), with first class general standing, Jay Gordon Scott has been awarded the George E. Cole Memorial Prize in Economic Geology. This prize is offered annually by Mr. Cole, past president of the Canadian Institute of Mining and Metallurgy, to the student obtaining the highest standing in Geology 458 or 460, providing the student obtains an average of at least 75% in the subject and is registered in a full year's program.

The elder son of Mr. and Mrs. A. G. Scott, Jay was born and raised in Vulcan and received all his schooling here before entering University.

He intends to return to the University of Alberta for post-graduate work.

Superintendent For County Schools Appointed

Earle K. Hawksworth, formerly principal of the Tilley high school, has been appointed by the Department of Education as new school superintendent for the County of Vulcan, replacing A. L. Schrag, who is now school superintendent for the County of Ponoka.

A graduate of Acadia University, Nova Scotia, Mr. Hawksworth holds the degrees of B.A., B.Ed. and B.D. and is presently at the University of British Columbia where he is completing his master's degree in the field of school administration. He has taught in Alberta for the past several years.

Mr. and Mrs. Hawksworth have purchased the William Munro residence and, with their two children, are expected to take up residence in Vulcan the latter part of August.

Minor Baseball Winds Up

Champion and Vulcan Top Minor Ball Leagues

The Wheatbelt Minor Baseball Leagues wound up their playoff action over the holiday weekend with Champion winning the Little League and Vulcan Babe Ruthers tops in the older-age bracket.

For Vulcan it was a come from behind victory as Mossleigh had won the first game in a best of three series with the game in Vulcan. Last Friday they travelled to Mossleigh for the final games and won both ends by scores of 9-7 and 10-6.

In the first tilt it was Woodman the winning pitcher with Green taking the loss, and good defensive plays by Vulcan made the ultimate difference.

For the final game it was lusty hitting by both clubs and steady pitching by Boutland for Vulcan and Robinson for Mossleigh. Topping the hitting brigade was R. Perley with a homer, triple and single in four trips to the plate with Clarkson and Carruthers also getting three for four, and Woodman contributed a home run also for Vulcan. Green hit a round tripper for Mossleigh and Maisey had a triple.

In the Little League finals it was Champion the league leaders throughout the schedule dropping the first game to the Vulcan Tigers and then coming back with two successive wins for the championship. The final game played Saturday morning in Vulcan was a dandy with Champion going into an early lead and Vulcan coming on with a last inning rally to lose 8-6. It was a well played fast game with Jimmy Rhodes going all the way for the win and Randy Carruthers taking the loss after pitching four innings. In the previous two games Dale Lebsack won for Vulcan by an 11-4 score and the next night Champion came back to win 13-4 and Grant Wolfe was the winning hurler.

Approve Plans For New School At Carmangay

At a special meeting of the County of Vulcan School Committee, held Friday evening, plans for a new school at Carmangay were approved.

The plans call for construction of a one-storey building housing five standard classrooms plus a one-and-a-half classroom science laboratory, a library and a gymnasium. The proposed new school is designed for a staff of six teachers.

As soon as plans and specifications are approved by the Department of Education, bids will be called for construction of the building.

Driest June Since 1940

Hot, dry weather has continued this past week and one or two days of high winds hastened deterioration of crops.

Some summerfallow crops are still holding up very well, but stubble crops are very poor and many are being cut for feed. Yields, even on good summerfallow, will be very light in most parts of the county.

David Sim of the Berrywater weather station reports that total precipitation in June in that district just north-east of Vulcan was only .76 of an inch. Mr. Sim's records show this has been the driest June since 1940, when precipitation for the month was just .57 of an inch.

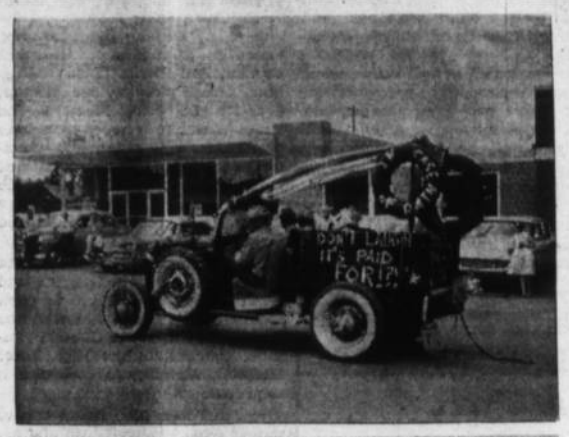

Bill Roebuck Wins Electric Train Draw

Three Vulcan organizations got into the act when an electric train set was raffled recently to assist Vulcan Scouts attending the Jamboree at Ottawa.

Donated for this purpose, the train set draw was handled by the Lions Club for the Scouts, who are actually sponsored by the Oddfellows Lodge, and the winning ticket, that of Bill Roebuck, was drawn on the Elks' July 1 Celebration.

Sufficient funds were realized from the draw to assist the Scouts going to the Jamboree and also give a boost to the Scouts' general funds.

Kind words never die — they just become victims of ingratitude.

DOMINION DAY PARADE— The jalopy in the top picture, an unusual vehicle, drew many laughs. The bottom shot shows the Dog Patch Gang and a couple of vintage cars.

Fish & Game Meeting

Duck Hatch Smaller Than Normal Because of Drouth

A smaller hatch of ducks which could result in lower bag limits this fall, the possibility of grasshopper poison making inroads on the upland game population and a high proportion of "summer kill" of stocked fish here and elsewhere in the country were problems dumped into the laps of Vulcan and District Fish & Game members at their June meeting the 26th of this month.

The well attended meeting in the Vulcan Cafe heard reports from members who had competed recently in the shooting contest held at the Willow Valley Ranch near Lundbreck. Roy King from Arrowwood won in the moving target competition and the boys were so impressed with the success of the day that a similar event staged here was proposed and turned over to John Andrews of the project committee. It was felt the seven years of experience gained by the Lundbreck operation could be put to work to add another activity for the local group.

Dan McNiven and Game Officer Bert Freeman checked the trout-stocked body of water on the McNiven farm and found signs of serious loss of fish through effects of the heat on the water. This is not a local condition as the same thing is happening to pike in northern lakes.

A suggestion regarding the junior fish derby was made with the view to extending the closing hour for the derby from five p.m., to a later time in the evening as some of the better fishing is done then. Another weigh station may be added near the Jack Kole place as many young fishermen worked this area and it is some distance from either of the two present stations.

Although full evidence has not yet been found it is feared the grasshopper poison may deplete the pheasant and partridge numbers this fall. Spring hatches ranged from "no big hatches" to farmer-members seeing hatches of "four, five and seven," and bigger numbers of off-spring around Champion. One member claimed the Dieldren poison is not affecting the gulls or crows so a check will be made to see how the upland birds are faring.

Don McCord reported a very poor hatch of ducks in the east country due to the lack of water. Small sloughs are fast disappearing and ducks won't nest on Lake McGregor because of the pike danger to their young. Many dead pheasants were found following the heavy hail storm earlier this spring around Milo, which dumped three inches of rain on the area.

Youngsters are reminded that for the next week Montie's Barber Shop is headquarters for the magpie hunt and payment will be made by Montie Findlay. So far $20 has been paid out representing 400

Successful Event

Full Day's Entertainment At July 1 Celebration

Thanks to the Vulcan B.P.O. Elks and a great amount of parade help from district and town groups and individuals, the kids had their day last Saturday at the annual July 1st Celebration.

Down deep, most people, including the organizers, hoped the whole thing would get washed out in the start of a four-day rain but when this showed no sign of happening, everyone packed up and headed for town to line both sides of the parade route which stretched from the County Office corner to the baseball diamond.

Following the sounding of the noon siren, the parade swung around the corner and up main street headed by the Elks' deep purple and white colors on a decorated float and accompanied by a marching patrol.

The old-timers started near the front of the parade but the truck on which six of their number were seated, broke down 100 yards from the take-off point and needed a quick motor job. It was a "White" truck of around World War I vintage with no cab, running board and hard rubber tires.

Boy Scouts, Cubs, Guides and Brownies followed a float built on the camping theme with a tent, sleeping bags and outdoor equipment beckoning the crowd.

Vulcan's Little Leaguers were another walking group and perhaps the liveliest on the street, singing their theme song under the leadership of Constable Al Knowles.

A much appreciated western theme was given by about 20 riders from the Arrowwood Gymkhana Association who trucked their livestock in following precious little sleep, the result of a gymkhana dance the night before, and took part in the parade. In the afternoon, Association President "Timber" House, George Ward, Fred Bertschy, the McInenlys and others entertained the baseball crowd with several gymkhana events run off between ball games.

Along the route were many models of cars from "many other days" back, some displayed by local garages and some of hot-rod fashion brought out by individuals. Artistic sign painting covered most of these with such slogans as— Don't laugh lady, your daughter may be in here — want Cadillac, got Ford — hot rod Lincoln — three cool cats, and other inspiring messages which brought a chuckle from the holiday crowd.

Some of the other floats and entries in the approximately 30 unit parade were the floats of the Berrywater and Vulcan West-Ensign 4-H Clubs, elevator float of the Alberta Wheat Pool, flowered car of Vulcan Pharmacy, World Seed Fair float, balloon covered car of Daniells' Tire Service, Fish & Game big game float, Red Cross float, a float of the proposed Dairy Bar and Motel, the Royal Cafe float and the yellow and white decorated car of Betty Ann Shoppe.

Decorated trucks, cars and camper trucks were shown from Central Garage and Richardson & Gould Ltd., while all types of farm machinery was entered by the firms of M. R. Morrison Ltd., Willard Equipment Ltd., Jesse and Emelson Farm Equipment Ltd. and Three-Way Service.

The Fire Department had their full force on parade, Vulcan Freightlines, Webb Transport and Vulcan Flour Mill had decorated trucks, the bulk agencies of

DINTY MOORE

Carmangay Golfer Gets Hole-in-one

The second hole-in-one in the five-year history of the Vulcan Golf and Country Club course was made by Glen "Dinty" Moore of Carmangay on Saturday, June 24.

Above is the smiling owner of a membership into a most select group, and who, according to his friends, needs a picture and evidence on paper to convince his Carmangay friends that he did pull off the feat. Apparently this happy-go-lucky farmer from east of Carmangay is one whose talent for joshing people has surpassed his golfing ability — until the hole-in-one.

The seventh hole, 195 yards long, was the location of Dinty's good fortune. He swung with a number three wood during an afternoon round with wife Grace and quickly gathered up the following flight to confirm his feat. In this group were Merley Rhodes, Livio Passoli, Peter and August Degenstein.

Dinty came in with a 41 on that round and following an hour or so of jubilation in the club house he set out for an evening round before driving home.

All this was accomplished, according to Dr. Hwozdecki and Gordon Prusky of Carmangay who waited for his final round, while Dinty was handicapped by a cracked rib.

They claim Dinty to be a real golf enthusiast. Regularly, an hour of 6:30 a.m. is set Sunday mornings for the group to leave for Vulcan for a day of golf and always Dinty is up with the sun, has his farm chores done and is waiting at take-off time.

Police Chief Jean Moyer is the other golfer to score a hole-in-one on the local course.

Lee Richardsons Move To Alix

The Berrywater Community Centre was recently the meeting place of many friends of Lee and Rose Richardson, who assembled to wish them and their family "good luck" in their new home.

Upon arrival many of the younger guests played ball while some tried their hand at horseshoes, while still others simply enjoyed the evening air and visited.

Later all went inside to play bingo and while the prizes weren't exactly "jackpots" everyone seemed to enjoy themselves.

Following this Allen Sinclair presented Lee and Rose with a coffee table, Gloria and Lynda with gold lockets, and John and Sharon with a clock from the members of the 4-H Club.

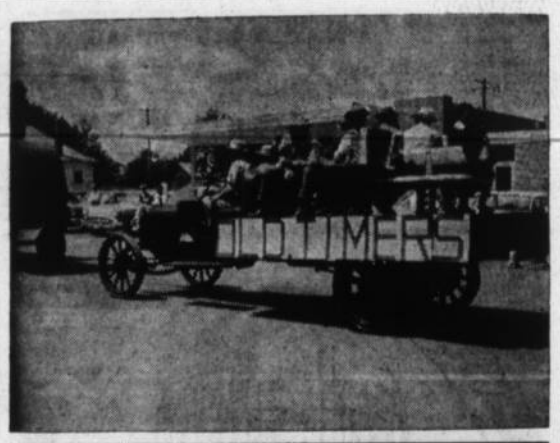

On behalf of his family Lee thanked everyone most heartily for their kindness and good wishes, and hoped they would all stop in and visit them — but not all at one time — when they were in the Alix district.

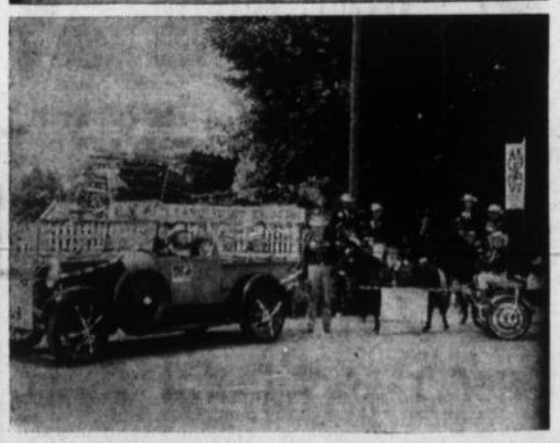

A very tasty lunch was served by the committee.

75% Transportation Costs

Gov't Assistance For Shipping In Fodder and Feed Grain

A federal-provincial plan to pay 75% of the cost of shipping feed grain and fodder into drought areas has been announced by Alberta Agricultural Minister Halmrast, effective as at July 1, 1961.

A shortage of feed is anticipated in the south-east portion of Alberta, where drought has seriously reduced yields of hay and grain crops and many livestock producers may need to purchase feed grain and fodder. The cost of the proposed assistance to Alberta farmers will be shared equally by the Government of Canada and the Government of Alberta.

The assistance plan will apply only to resident bona fide farmers and ranchers whose major income is from their farm or ranch and who move fodder or feed grain into the area declared eligible, which includes the County of Vulcan. The policy is limited to assistance in providing feed for livestock on hand only. The policy does not apply to commercial feed lots or institutional farms.

The assistance does not apply to prepared feeds. The maximum quantity of feed grain and/or fodder on which an individual farmer or ranchers may receive assistance is: Feed grain, 25 tons; fodder, 100 tons.

Assistance will be provided in the following manner:

On Fodder—

(a) 75% of the cost of shipping fodder by rail freight on the basis of the receipted freight bill accompanying the application.

(b) 75% of the cost of transporting fodder by licensed custom highway carrier on the basis of receipted trucking invoices accompanying the application.

(c) 4 cents per ton mile one way for the movement of hay by farm truck, on the basis of a receipted invoice covering the purchase of the hay.

(d) Maximum assistance provided under (a), (b) and (c) will be $12.00 per ton.

On Feed Grain—

Same terms and conditions as apply to fodder (as above).

Applications—

Every application for assistance as outlined above must be made on forms which will be available at the County office later this month. Every application must be approved by a County official. There will be a deductible mileage of 25 miles which will be subtracted from the mileage the feed is moved by truck before calculating the amount of assistance.

Further details have yet to be received, but the assistance policy will terminate March 31, 1962, and the extent and area in Alberta to which the policy will apply will be determined by weather conditions that prevail during the remainder of the growing season.

Militiamen At Sarcee Camp

Three officers and 17 men, representing "A" Company Calgary Highlanders, left Vulcan in convoy last Saturday morning to join militiamen and women from all parts of southern and central Alberta and southeast British Columbia at Camp Sarcee, Calgary, for summer training from July 1 to July 8. About 900 militia members are attending the camp.

This year's camp is operated along the same pattern as last year's successful National Survival Camp, which was so successful it became a model for militia camp training all across the country.

Training for the camp includes National Survival instructions for all ranks in rescue, first aid, radiation monitoring, communications, traffic control and the like. In addition there was an early exercise for all officers and a larger wind-up effort, Exercise "GONE FISSION" will begin on Thursday when a simulated atom bomb will signal an attack and trigger an evacuation of all personnel. Next morning troops will re-form into two mobile survival columns and will move to re-enter "Greggsville" where rescue operations will take place.

Group Commander is Brigadier H. T. R. Gregg, C.D. of Calgary.

Master Terry Smith was the lucky recipient of a week-old Hereford calf won by a free ticket from Radio Station CJOC ,Lethbridge.

Scout Master Doug Johnson motored to Fort McLeod recently to attend the Scouter's basic training course. There were men from all over Southern Alberta attending. Doug reported that it was a very valuable course which would enable a Scouter to get experience of untold wealth to pass on later to the Scouts.

Approximately 30 children will begin swimming lessons at the Vulcan swimming pool on Monday, for a period of two weeks. This is one of the annual projects sponsored by the Carmangay Lions Club which is very rewarding and greatly appreciated by the Carmangay community. Jack Taylor will be in charge of the van.

A meeting was held at the fire hall on Wednesday with the purpose to organize a volunteer fire brigade. The following are volunteers: Chief, Doug Johnson; assistant chief, Orville Blue; captain, Bernard Sternenbery; assistant captain, Ben Brown; Glen McFarland, Stewart Taylor, Jack Taylor, Wes Knight, Wally McIntyre and Brian White. It is hoped that more personnel will volunteer. Practices will be held every second and fourth Wednesday. There will be a siren installed in the near future and the village has also purchased smoke masks.

Mrs. Irene Taylor, Mrs. Gretta Soderquist, Emil Soderquist and Allan Soderquist motored to High River to visit Bob Boyd who has been moved from the General Hospital, Calgary, to the High River Hospital. Mr. Boyd's condition is improved.

Mr. and Mrs. Mae Baldwin have moved from Picture Butte and are residing in the home formerly occupied by Mr. and Mrs. A. Friesen and family.

Mr. and Mrs. A. Friesen moved to Calgary on Saturday.

Roy Volk and Mrs. B. Forsyth and son Bruce were guests at the home of Mr. and Mrs. Steve Volk and family on Sunday.

Rev. W. and Mrs. Morrison of Gleichen moved to Carmangay on Monday and have taken up residence in the United Church manse. Rev. Morrison is the new United Church minister. Induction service was held at the United Church in Champion on Wednesday. Speakers were Rev. Moss and Rev. Sharpe. Rev. Peter Dawson was also present for the service. After the service a social hour was held and lunch was served.

Gordon Prusky left for Calgary on Sunday where he will be attending summer school at the U. of A.

Harold Hubka has returned home following an appendectomy last Sunday at St. Michaels Hospital, Lethbridge.

Eric Collier is a patient in St. Michaels Hospital, Lethbridge.

Bruce Palk is attending summer school in Edmonton.

Mr. and Mrs. Alex McMillan motored to Regina, Sask., and visited with their son-in-law and daughter, Mr. and Mrs. L. Castelli and family. They also visited Mr. and Mrs. C. Legger in Saskatoon.

Mrs. Marion Hoffman, former Grades 3 and 4 teacher has moved to the Stavely district.

Joe Izach has taken a position for the summer months at a Texaco Service Station in Lethbridge.

Mr. and Mrs. Alf Wynn, accompanied by Mr. and Mrs. T. Goodsir of Edmonton are spending the weekend at Waterton.

Mr. and Mrs. A. Gallo and Mrs. G. Gallo of Calgary were guests recently at the home of Mr. and Mrs. Alex McMillan.

Mr. and Mrs. B. Ewing and daughter Patricia were Sunday visitors at the home of Mr. and Mrs. Bud Newton in Strathmore.

CLOSING PROM

On Friday, June 23, the Carmangay Students' Union held their Closing Prom in the Carmangay Community Hall, with David Shearer's Orchestra in attendance. The hall was beautifully decorated using "Moonlight and Roses" as the theme.

Miss Judy Dahl, president of the Students' Union, presented gifts on behalf of the students to Mr. Palk, principal; Mrs. Friesen, vice-principal; Mrs. Alice Knight Grade 10 and 11 teacher, and Mrs. R. Davis, Grade 7 and 8 teacher. The Home and School served lunch at mid-night.

Both teachers and students greatly appreciated the support of the parents who helped make the dance very successful.

C.W.L. PARISH COUNCIL

The CWL Parish Council of Carmangay met at the home of Mrs. John Letal on Wednesday evening, June 28. Miss Joan Zeller was greeted as a new member. Reports were given by the conveners and the treasurer. Father Marien took note of the number of children in the different grades who would be taking Catechism by correspondence for the new term.

An excellent report on the convention also a resume of Father Ogle's address on Latin America, were given by the president, Mrs. Parker. She thanked the Council for appointing her as delegate and expressed her appreciation to Mrs. Rudy Hubka for her wonderful motor service. Father Marien thanked Mrs. Parker for the summary of the convention activities.

A motion was made that the annual lawn tea and bake sale be held at the home of Mrs. John West. It was decided that the meeting dates be changed from the fourth Wednesday of each month to the second Wednesday, commencing with the September meeting. Four resolutions outlining work for the fall term, were presented by the president and they were approved by the members. Action will be taken on these in the months to come.

Mrs. Rod Minty and Mrs. J. West read a chapter on The Sacrifice of the Mass from the book, "Father Smith Instructs Jackson." Interesting questions were answered by Father Marien and he closed the meeting with his blessing.

Mrs. Rudy Hubka won the raffle and also the bingo prize, an apron. A delicious lunch was served by the hostess.

FAREWELL PARTY

A farewell party was held at the United Church basement on Thursday, for Mrs. Holland, former Grades 1 and 2 teacher, with 20 parents present.

Mrs. Vilas Teskey conducted a short program. Susan McLeod gave a piano solo. On behalf of the children Susan McLeod and Leslie Johnson presented Mrs. Holland with a gift.

Vicky Knight also presented Mrs. Leonora Baldwin with a gift in appreciation of her acting as pianoist for Grades one and two classes during the last three months. Lunch concluded the enjoyable afternoon.

CARMANGAY WEST CLUB

The Carmangay West Club held their regular meeting at the home of Mrs. Lorelli Craig's recently, with nine members present. Roll call was answered with, "What I did on my 21st birthday."

Being the occasion of Mrs. Ella Mifflin's birthday, the meeting was held in honor of her. The hostess prize was won by Mrs. Roy Craig.

The next meeting will be held at the home of Mrs. Roy Craig, with the roll call to be answered with a "Hot weather recipe."

Following the business part of the meeting, "Yatsi" was played with Rosella Hubka winning the prize. The hostess served a delicious lunch.

MILO

Mrs. Hellevang's Grade 5 and 6 class entertained their mothers and friends to a very enjoyable program on Thursday afternoon. A lovely lunch was served by the class to bring the afternoon to a close.

The Grade 4 and 5 class met the Mossleigh 4 and 5 class at the lake on Thursday morning to play ball. Milo were defeated by a score of 21-12. Better luck next year kids.

Mr. and Mrs. Mel Schaub attended a bank managers' golf tournament at Red Deer last weekend.

Mrs. Hal Thompson and Ellen, Linda Gooch and Leonard Peterson accompanied the Hellevangs and Gores on a camping trip near Pincher Creek.

Friends of Ole Ueland will be sorry to hear he is confined to the Vulcan Hospital with a broken leg. A speedy recovery is extended to him.

Mr. and Mrs. George Thurlow and family of Medicine Hat were weekend guests at the Bob Umschied home.

A number of people from Milo attended the Bassano Stampede on Saturday.

Mr. and Mrs. Barry Peterson and Dwayne spent the weekend in Calgary where they attended the wedding of Mrs. Barry Peterson's girl-friend.

Mr. and Mrs. Ken Stumpf and family, Mr. and Mrs. J. R. Goldthorpe, motored to Atlee on Saturday.

Robbie Thomson of Jasper spent the weekend at his home here.

DOUBLE SHOWER

A double shower was held on Monday night in honor of Marilyn Gellatly and Brenda Holladay who are brides-elect of July. The United Church basement was gaily decorated with yellow and green streamers and each table was centred with a cake made and decorated by Mrs. Dave Deitz topped with a miniature bride.

On behalf of those present Mrs. Marj Hellevang presented Brenda with a miniature rack filled with lovely and useful gifts pulled in by Leo Gooch and Patsy Bartsch. Seated at the table and assisting the bride in opening her gifts were her mother and sister and mother of the groom. Those looking after the gift book were both sisters of the groom, Mrs. Jack Hunter and Mrs. Hal Thompson. Brenda then very suitably thanked everyone.

Patsy Bartsch and Leo Gooch then sang a duet, "School Days," followed by a tap dance done by Debra Gooch and Gwen Monner.

Patsy Bartsch then presented Marilyn with a miniature rack of lovely and useful gifts, also pulled in by Leo Gooch and Patsy Bartsch. Seated at the table and assisting the bride were her mother and mother of the groom. Those looking after the gift book were sisters-in-law of the groom, Mrs. Bruce Henry and Roxanne Hellevang. Marilyn then very suitably thanked everyone.

A delicious lunch was then served by the hostesses.

Lomond News

Congratulations are extended to Ashley (Grandpa) Foreman who celebrated his 76th birthday on Saturday, July 1.

Saturday, July 1, was a very quiet day in Lomond with most of the residents attending the various sports days and stampedes at Vulcan, Enchant, Brooks and Fort Macleod.

Master Terry Chase was a week-end visitor in Vulcan at the home of his brother-in-law and sister, Mr. and Mrs. Robbie Nimz and daughter.

Mrs. Hazel Brotherwood and Miss Betty Pearson of Edmonton are visitors at the home of Mr. and Mrs. Merl Pearson and family.

Mr. and Mrs. Alec Dodds and son spent the holiday weekend at Medicine Hat.

Harry Hammer, accompanied by Mr. and Mrs. Axel Nielson, motored to Bassano on Saturday, July 1, to attend the Bassano Stampede.

Congratulations are extended to Mr. and Mrs. Tom May on the birth of a daughter in the Vulcan Hospital on Wednesday, June 28. Name: Sheree Dawn. Weight: 6 lbs., 9 ounces.

The Grade 9 students enjoyed a barbecue dinner at the home of a classmate, Miss Marilyn Frost on Tuesday, June 27.

Mr. and Mrs. Art Humphreys were visitors in Lethbridge on Tuesday of last week.

Mr. and Mrs. R. G. McRae and daughter Sheila of Ignace, Ont., spent a week in Lomond as guests at the home of the latter's aunt, Mr. and Mrs. Johnnie Gray and Gordon.

Mr. and Mrs. Roy Huston of Seattle, Wash., left for home last weekend after spending a week at the home of the former's brother-in-law and sister, Mr. and Mrs. Cliff Booth.

Mrs. Edith Bennett is spending her annual three-week holiday in British Columbia.

Mrs. Pete Rupper and daughter, Marie were visitors in Lethbridge on Friday where the latter was a guest on Georgias Birthday Party at the CJLH-TV station.

Mr. and Mrs. Pete Ruppert and family spent the holiday weekend in Cranbrook, B.C., as guests at the home of the former's sister.

BIRTHDAY CLUB

The June meeting of the Birthday Club was held at the home of Mrs. Huff, Sr. There were 20 members and eight visitors present to open the meeting by singing, "Annie Laurie." To answer the roll call each member guessed who her Sunshine Friend had been for the past year. Four members correctly guessed their "Friend."

A letter regarding a meeting of all interested in chest x-rays was read. This meeting was to be held on June 19. Plans for entering a float in the parade for the sports day were discussed and arrangements made for furthering these plans.

As this was the annual meeting of the club the books required auditing and Mrs. Hodgson and Mrs. Chambers undertook that job. The following officers were elected for the ensuing year: President, Mrs. Vern Volesky; vice-president, Mrs. J. Zuba; secretary-treasurer, Mrs. Lomas; sick committee, Mrs. Foreman, Mrs. Johnson, Mrs. Maier and Doris Carrington; gift committee, Mrs. Honess, Mrs. Stannard, Mrs. Lindstedt and Mrs. Zuba; news reporter, Mrs. Mary Crawford.

The election of officers required so much time that the planned program was postponed until July. Mrs. Zuba was the winner of the raffle. The July meeting is to be held at the home of Doris Carrington with the roll call to be a small parcel that each member receives in payment of 25c.

Mrs. Crawford and Mrs. Lindstedt offered to plan the meetings, roll calls and cakes required for the coming year. Those on for cake in July are Mrs. Anton Volesky, Mrs. Zuba and Mrs. Chambers. To conclude a very hot afternoon meeting the hostess and her helpers served a most delicious lunch.

NIELSON — BRIAULT

Rev. William Harvey officiated at a double-ring ceremony in Strathern United Church in Edmonton on Saturday, May 20, when Miss Viola Briault, daughter of Mr. and Mrs. Armand Briault of Warburg, Alta., became the bride of Allan Nielson, son of Mr. and Mrs. Axel Nielson of Lomond, Alta.

Given in marriage by her father, the bride wore a floor-length gown of white silk organza. The skirt was designed with a bustle back and fitted bodice was styled with lily-point sleeves and a square neckline, trimmed with pearls. Her shoulder-length veil was held in place with a crown of white pearls. She carried a bouquet of red roses.

Bridesmaids were Miss Sylvia Briault and Mrs. Melva Knittle, sisters of the bride. They wore identical street-length gowns of aqua chiffon over satin with aqua head pieces. They both carried bouquets of yellow flowers. The flower girl was Celina Briault, sister of the bride. She wore a frock of white with yellow chiffon and carried a basket of white and yellow flowers.

Attending the groom were Harold Nielson, brother of the groom and Tony Knittle.

Following the wedding a reception and dance were held at the Leduc Legion Hall.

GATE SIGN PRESENTED

A gathering was held at the Paul Maier farm at Lomond on Thursday, June 29, for the presentation of a gate sign which was presented by Modern Farm Equipment Ltd., Cockshutt Farm Equipment dealers of Lethbridge. Present at the gathering were officials of the Cockshutt Calgary Branch in the capacity of Truman Smith, branch manager; A. Terry, assistant manager, and Jim Courtice, district manager. Also present was the district agriculturist from the Vulcan County, Clarence Roth.

The unveiling of this sign took place at approximately 2:30 in the afternoon and was done by the Cockshutt dealers of Lethbridge, namely H. Grose and J. Norris; after which the branch manager from Calgary made a presentation to Mr. Maier in the form of a gold wrist watch.

Proceedings then went on to a full photographing of all farm implements, farm buildings and cattle in general. This was done by the Lethbridge TV station. After the photographing the gathering went inside the home where lunch was served and a number of photographs were taken of the inside of the Maier home.

Pictures of this event will be shown on CJLH-TV on Friday, July 7.

LUTHERAN PARISH PICNIC

Parishioners from Milo-Enchant and Lomond Lutheran Churches gathered in large numbers at Lake McGregor to enjoy a parish picnic on Sunday, June 25.

The event began at 11:30 a.m. with spiritual food as Pastor Granberg at a joint out-door service spoke on the words of our Lord as He spoke to the disciples, "Will ye also go away?", based on John 6:66; emphasizing that despite the drought and its trials that face the peoples throughout, never to curse God or turn away from Him, but Pray that His will be done, and be thankful for the many blessings which are ours.

The pastor also brought a few highlights on the first district convention of the new merged church held in Saskatoon the previous few days, stating that the Kingdom work is the responsibility of all. The hymn, "What a Friend We Have in Jesus," was sung to a bereaved family, Mrs. Barney Ellefson and family on the loss of their husband and father as well as to all the sick, sorrowing and discouraged peoples.

The service was followed up with a Smorgasborg, pooled by all three congregations. As you sought you found that any plate would be enjoyed, from spring-frys, home-cooked hams and casseroles plus a Heinz variety of salads to homemade ice cream right from the freezer.

Races for all ages, as well as peanut scrambles and horse-shoes were under competition along with a swim at the lake. This was climaxed by a delicious buffet-style supper featuring as dessert, homemade cakes, cookies and ice cream with real threshing crew coffee to drink right from the pioneer wash boiler.

MOSSLEIGH

The three-point church service was held at the river on Sunday morning with a good attendance. The Mossleigh choir was present with Harry Washburn as accompanist. A picnic dinner was enjoyed by all after the service.

Milt Grant was the victim of an accident last week while haying not far from Irricana and was hospitalized with painful bruises.

Mrs. Beulah Gateman was hostess to a Stanley tea last week, with about 17 ladies present inspite of the heat.

FASHION SHOW & DISPLAY

The Arrowwood-Mossleigh Home Economics and Shop Classes held their annual fashion show and tea and display of wood work in the Mossleigh school this year on June 24.

Annie Podmoroff and Varnita Westersund were commentators for the fashion show when all the girls modeled the sewing that had been completed during the term. Soft music was played in the background by a number of girls.

Sandwiches and dainty cakes with tea were served by the girls after the show.

The boys had a very good showing of wood work which varied from chairs, desks, lamps, beds, book cases to gun racks.

SPORTS DAY

On Friday, June 29, Mossleigh held their annual Sports Day with good weather prevailing. At 1:00 p.m., the Arrowwood Little League ball team played the Mossleigh Little Leaguers with Mossleigh being victorious. This game was followed by a game between the Vulcan Babe Ruthers and the Mossleigh team with Vulcan winning.

A break was called and the races were run off for the children. At 5:30 p.m. the final game between the Babe Ruthers was played, with Vulcan winning once more. These games were the finals in the County play-offs. Mossleigh had won the first games, therefore Vulcan won the championship.

The ladies of the district sold confectionery from a booth during the afternoon. To bring the day to a conclusion the Arrowwood Gymkhana Club held a dance in the hall.

The way money goes these days it would be easy to convince people that it is printed on fly paper.

Re: Adult Polio Booster Injections:— All adults who have completed the series of three polio injections prior to December 1957 may receive their first booster at any of our regular Baby & Pre-School clinics.

These well-baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing any problems with parents regarding feeding, training and general care.

Your child should be immunized at the following times: Starting at three months of age, a series of four doses, three at monthly intervals and the fourth, six months later, of the combined vaccine containing diphtheria, whooping cough, tetanus and polio (D.P.T. Polio). A booster dose of the above vaccine should be given at three years of age. A further booster, Diphtheria, Tetanus and Polio (D.T. Polio) should be given prior to school entrance.

Smallpox vaccination should be started any time after three months of age and before the child is one year old with revaccination taking place every fifth year thereafter.

There is no charge at these clinics which are a service of the Foothills Health Unit.

ALMOND CHERRY JAM
(Using sweet cherries)
Yield: about 9 medium glasses (4½ lbs. jam)

4 cups prepared fruit (about 2 quarts ripe sweet cherries)
¼ cup lemon juice (2 lemons)
5 cups (2¼ lbs.) sugar
1 box Certo Crystals
1½ teaspoons almond extract
1 cup slivered blanched almonds

First, prepare the fruit. Stem and pit about 2 quarts fully ripe sweet cherries. Chop fine or grind and measure 4 cups into a very large saucepan. Squeeze the juice from 2 medium-sized lemons. Measure ¼ cup into saucepan with cherries.

Then make the jam. Measure sugar and set aside. Add Certo Crystals to fruit in saucepan and mix well. Place over high heat and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat and skim off foam with metal spoon. Then stir and skim by turns for 5 minutes to cool slightly, to prevent floating fruit. Stir in almond extract and almonds. Ladle quickly into glasses. Cover at once with ⅛ inch hot paraffin.

Civil Emergency Planning

"Ensure the continuity of your municipal government and the functioning of your vital utilities under emergency conditions and urge all your citizens to prepare their fall-out shelter and get their food and water supplies ready now," was the two-fold instruction given to the mayors of the cities, towns and municipalities from British Columbia, Alberta, Saskatchewan and Newfoundland at the recent mayor's conference on "Civil Emergency Planning" held at the Civil Defence College, Arnprior, near Ottawa.

The heads of each branch of emergency planning at the federal level addressed the mayors during the three and a half day conference, bringing them fully up to date in the thinking, planning and action being taken in every phase of civil emergency planning and related them to the provincial and municipal level. These showed that a lot of major changes had been made in recent months and drove home the necessity of ensuring the continuity of government at all levels, municipal, provincial and federal and the urgency of advising citizens to prepare now to survive fall-out, as every part of Canada could be subject to fall-out conditions should a thermonuclear war develop.

In an interview with Mayor J. Lundy Findlay on his return from this conference at Ottawa, he quoted in part from his notes and the copies of the addresses given as follows:

Nuclear war is possible, both sides have the capability. The Berlin situation is critical again. In the recent Kruschev-Kennedy talks only one (Laos) of 18 topics was open to discussion. There is a definite chance of war by miscalculation. If war on any scale develops Canada cannot avoid being involved because we are in the line of exchange. If we are engaged we would suffer badly even if we were not the target. Life and property loss would be a terrific price. We can cut down the price and can survive if we will prepare now. It is absolutely wrong to say that war is so awful it can't happen and equally wrong to say that if nuclear war comes any preparation could be useless.

The 1961 Exercise "Tocsin" was to test communicattions and continuity of government. The next such exercise will likely include evacuation of at least part of the 16 target cities in Canada.

This business of planning against nuclear war is necessary at all levels. It is not welcome but from now on will be a part of our way of life. It is a job that has to be done by virile, intelligent and active people who can devote considerable time to it. There is no way to escape it at the local level. The unprepared will die if war breaks out.

Re-entry and rescue operations for a bombed area must be completed within 48 hours. This means that plans and training must be completed before hand, yet remain flexible. Rescue forces would work 24 to 36 hours out of the first 48 hours and could rescue almost all those rescueable in that time. Proper shelters could save millions of lives.

A new pamphlet, "Eleven Steps to Survival," is an excellent booklet designed to help the individual and his family survive. It is only available on demand and the second printing will be available late in July. The booklet, "Basement Fall-out Shelter," has proven very popular and is now in its third printing. Wallet cards giving signals and action to be taken are being distributed and a new accordion style survival leaflet is nearly ready as are booklets on "Back Yard Shelter" and "Anti-blast Shelter."

Pre-attack evacuation of target cities is now on a voluntary basis but a necessary and vital part of any emergency planning. Reception plans and emergency welfare is the major role of units surrounding target areas. Each community should have remedial evacuation plans. At the municipal level there must be full plans for mutual aid, the creation of emergency services such as rescue, police, fire, feeding, housing and communications and make sure personnel are trained.

We will remain under a manned bomber threat for a year or two as the build up of inter-continental ballistic missles continues. During that time we may still have some degree of time of warning. It would be criminal negligence not to take advantage of any warning time given us. 95% of the people could be accomodated in reception areas if all target cities were evacuated.

Fallout contaminates but does not make anyone or anything radioactive. If we can prevent it from remaining on the skin or clothing and see we do not inhale it or take it internally with food we will have done a good job of decontamination.

Eight general principles for civil emergency at the municipal level were given as:

1. Must decide what the emergency functions are going to be and what essential departments are involved.
2. Who are going to be the key officials.
3. Lines of succession of authority in case of absence or casualty.
4. Establish emergency headquarters.
5. Assembly plans for municipal employees and volunteers who have been recruited and traveled so that each person knows where to report and what to do.
6. Essential records program — safe storage and availability to emergency headquarters.
7. Employees survival plans.
8. Resources — summarized and tabulated, what is available and where located. Co-ordinate these eight points into an emergency plan. Be sure to have a plan and review it frequently and keep modified up to date.

More generous financial support is now available. Federal government is putting up $4,000,000 a year and of this amount Alberta receives $314,400 in 1961. Most of the burden of training personnel is now on the shoulders of the province and municipalities.

80,000,000 adult Russians have had extensive training in civil defence and 5,000,000 more are being trained each year.

By mid-1962 warning of an attack may be only 15 minutes although strategic warning such as international tension would still be possible.

The booklet "Fallout on the Farm" will be of particular interest to farmers since it covers such subjects as, protection against fallout, food for your family, crops and livestock.

Over $12,000,000 worth of medical supplies have been purchased and distributed throughout Canada and additional stock piling is being continued.

Civil Defence is taught in the high schools in Toronto and in Saskatoon a half class credit is given in Grade XI or XII following 40 hours instruction.

Each family requires a survival plan and this should be done now. A half-hour reading of the booklet, "Eleven Steps to Survival," could mean survival if followed up. Camping equipment is nearly the same as a survival kit. Being prepared is not childish.

pairs of legs at 5c per pair. The local objective is set at 500 pair and the deadline is Sept. 1.

Guest speaker Bob Webb, Big Game Biologist with the provincial-government, told the group that smaller bag limits for ducks, geese and upland birds can be expected this fall due to the poor hatch this spring.

On the big game subject the speaker emphasized the importance of the branch's aim of keeping big game herds down to their pasture capacity. At one time there were 5,000 moose in the north country — the speaker's area is from Calgary north — and they used to slaughter 1,200 animals a year and now have cut the herds down to 4,000. They eliminate 1,000 a year still and find it results in better management with better meat, less disease and healthier moose.

Asked why there is now a separate $5 licence for sheep and goats the biologist answered that the department said hunters were often after one of the species but taking both as both were on the licence. The hunters were getting off too cheaply, it was felt, so now they will have to go for one or the other or buy two licences.

"I would like to stress, that this whole matter of emergency planning is the business of government at all levels, and it is of very great importance to individuals."

"There are many things that individuals can do for themselves. The whole burden is not solely that of government. I find a tendency on some occasions for people to lean unduly on government and to forget individual initiative and individual action. Such things as protection against radioactive fallout are very largely of individual character."

DEFLATED

The head of the house may be a big gun at the office, but at home he's just a pop gun.

Looking towards town from the north last Friday afternoon nothing of the town is visible through the clouds of dust and only two of the row of elevators can be seen.

Shades of the 1930's!

What a difference a day makes! The above photo was attempted last Friday morning before the heighth of the dust storm which struck town and 24 hours later under sunny calm skies floats for the July 1st Celebration lined up along elevator row for the parade. Memories of sadder days in Canada's history were recalled Friday as onlookers watched or tried to protect their homes from the "duster" brought on by high winds which lifted a quarter section of the Bob Jamison farm, north-west of town.

Early in the morning the dust was concentrated on the middle elevators but before noon the wind swung around and the boys along the row were in a world of their own 'till late afternoon when winds subsided. Homes most severely hit by the dust were those between the Calgary Power Office and the elevators and at times the downtown area towards the County office was partially enveloped.

Driving along the road by the County Abbatoir it was impossible to see more than a car length as winds estimated at from 30 to 60 miles per hour whipped up the exposed top soil of the field.

The 90 acres had been sown to rape seed and when it showed little signs of making a crop Bob Jamison replanted and was caught before the field had sufficient cover to hold.

This photo, another of Bruce Roe's collection, is the real thing taken in 1920 when great clouds of dark dust rolled slowly over the prairies. Bruce was not sure of the exact location of the buildings except that they were on the west side of town. 1918 was a light year, crop-wise as were the following four years. The year 1923 saw a bumper crop in the district.

BLACKIE

Ann and Kathy Vanderploeg left on Friday for Vermillion Crossing, B.C., where they will be working for the summer. They were accompanied by their mother and minister and family of the Full Gospel Church of High River.

Robert Bucher and his mother of Calgary were visitors in town on Thursday.

Mr. and Mrs. Harley Swartz, accompanied by his parents, Mr. and Mrs. Floyd Swartz of High River were weekend visitors at Waterton Lakes Park.

While A. A. Westersund is away on holidays from the post office, Mrs. George Bayford will act as postmistress. The Westersunds left on Sunday for British Columbia for a three-week vacation.

The Charlie Suitor family and Jim Anderson family motored to Banff for the weekend.

Mr. and Mrs. Mel Clingman and family were weekend guests at Cochrane at the home of the latter's brother and sister-in-law, Mr. and Mrs. Gerry Thompson.

At the regular meeting of Fairview Rebekah Lodge, Mrs. Maurice Paradee presented Mrs. Hec McLean with a lovely vase from the members as Mrs. McLean will be leaving Blackie soon. Mrs. John Green made the presentation of a silver souvenir spoon to Mrs. Bill Cormack who is leaving for Carrot River, Sask., this week. Mrs. Paradee as district deputy president also presented the Noble Grand, Mrs. Mabel Davies with her Certificate of Perfection. Following the meeting a birthday party was heid and name bingo as well as other games were enjoyed.

Friends of John Webb are pleased that he is able to be out of the hospital. He will spend some time at the home of his daughter in Calgary before returning home.

Mrs. Margaret Briggs visited in Calgary at the home of her daughter, Mrs. Pete Dimmer.

Weekend visitors to Waterton Lakes included Mr. and Mrs. Glen Eamor, Mr. and Mrs. J. D. Eamor and Mr. and Mrs. Gordon Seney.

Mr. and Mrs. Gordon Fairman spent a few days visiting in Saskatchewan with relatives and friends.

The ladies of Blackie playing in the High River Bowling League played their final games on Tuesday after which they motored to Calgary for a lovely dinner. They were Mrs. J. Montgomery, Mrs. L. Tucker, Mrs. G. Bayford, Mrs. M. Clingman, Mrs. M. Paradee and Mrs. A. Westersund.

Ken Suitor and Bob Seney are leaving Monday for Ottawa where they will attend the third Annual Boy Scout Jamboree for two weeks. They travel with other Boy Scouts by train.

Miss Judy Suitor will be working at the hospital in High River during July and August.

TRAVERS

Too Late For Last Week)

Mr. and Mrs. John Radics of Welland, Ont., were guests last week at the home of Mr. and Mrs. John Zuba.

Mr. and Mrs. John Zuba and family motored to Medicine Hat to attend the wedding of their niece, Elaine Mehrer last Saturday.

Visiting the past two weeks at the home of Mr. and Mrs. Sid Thurlow and Mr. and Mrs. Frank Tolsdorf were their aunt, Mrs. Melvin Nelson and grandmother, Mrs. M. Whewell of Vancouver, British Columbia.

Mrs. Didier and son John of Parkland were visitors last Monday at the home of Mr. and Mrs. John Zuba.

Mrs. Elene Meyers and family of Vulcan were Saturday visitors at the home of Mr. and Mrs. Russell McLeod.

Members of the Evangelical Free Church have re-shingled and painted the roof of the church during the past two weeks.

Among those attending the North Taber WI Convention from here were Mrs. Gordon George, Mrs. Ivan Steeves, Mrs. Frank Tolsdorf and Mrs. W. A. Watson. The convention was held at the New Sundial Community Centre.

Charles McKay had the misfortune of being injured Sunday, while playing ball at Retlaw. Requiring medical attention he received injuries to his shoulder blade and separation of two ribs.

NORTH TABER W.I. CONVENTION

The 15th Annual North Taber Women's Institute Constituency Conference was held June 6, at the Sundial Community Centre, with Mrs. E. I. O'Seen, constituency convener presiding. President of the Sundial WI, Mrs. Dale Dunn, welcomed all the members and visitors. The Sundial branch was the hostess branch for the day.

Reports presenting the highlights and achievements of Sundial, Battersea and Travers were presented by, Mrs. F. Machacek for Sundial, Mrs. Uiggo Hage for Battersea and Mrs. Esther Tolsdorff for Travers. All branches have been very active in community work. They supported girls' clubs and one branch gave awards to the L.N. 4-H Beef Club. A Tweedsmuir history is being compiled by Sundial. Travers Happy Hours are working on a 10th anniversary cook book.

The various committee conveners gave their reports as follows: Mrs. U. Hage, Health; Mrs. A. Binder, Education; Mrs. I. H. Nolon, Home Economics; Mrs. W. A. Watson, Citizenship; Mrs. Gordon George, United Nations; Mrs. Dale Dunn, Social Services. Mrs. W. Watson, handicraft convener, made the presentation of prizes to the winners in baking and handicraft.

Sundial won the handicraft trophy with 610 points. Prizes for individual points were awarded to: 1st, Mrs. J. Tyo of Sundial; 2nd, Mrs. F. Machacek of Sundial; 3rd, Mrs. D. Dunhamel. Battersea WI special prizes given by Mary Maxum. Wool: 1st, Mrs. J. Tyo; 2nd, Mrs. C. Seecrist; 3rd, Mrs. W. Watson. In the Salada tea cash awards the embroidery class in lunch cloths. 1st, Mrs. F. Machacek; 2nd, Mrs. J. Tyo; 3rd, Mrs. G. Megnault. Salada tea awards picked from the entire display: 1st, Mrs. E. T. O'Seen; 2nd, Mrs. C. W. Secrist; 3rd, Mrs. S. F. Larter.

Special prizes were given by each branch and were for a practical apron given by Sundial WI and won by Mrs. Ross Main of Turin. Batterseas special prize on child's cotton dress was won by Mrs. Ruth Peterson of Travers. The special prize on driftwood and donated by Happy Hours WI was won by Mrs. Jim Tyo, Taber.

A special prize given by Newlands Wool on baby set was won by Mrs. Rose Tyo; 2nd prize by Belding Corticelli Co., on socks was won by Mrs. J. Tyo; 3rd prize by Belding Cortecelli Co., on curling sweater was won by Mrs. J. Tyo. The best design article was won by Mrs. F. Machacek. A special prize on English Smocking Book was won by Mrs. R. Tyo. The special on paint by numbers was won by Mrs. Ueggo Hage. In the baking class the trophy for highest points went to Sundial. In the individual points: 1st, Mrs. E. Zuba, Travers WI; 2nd, Mrs. W. Watson, Travers WI; 3rd, Mrs. R. O'Seen, Turin. Baking powder biscuit class: 1st, Mrs. J. Main, Turin; 2nd, Mrs. Alice Duhamel, Iron Springs; 2nd, Mrs. Wayne Secrist, Turin. Special cash award for buns donated by Midway WI was won by Mrs. G. Mignault.

Harry Watson of Picture Butte showed slides taken in Japan. Also on the different methods of farming compared to ours.

The election of officers resulted as follows: Constituency convener for North Taber, Mrs. Frank Tolsdorf, Travers, Alta. Standing committees are: Agriculture, Mrs. S. Larter, Picture Butte; Canadian industries, Mrs. W. Watson, Travers; citizenship, Mrs. J. Dunn, Turin; health , Mrs. U. Hage, Picture Butte; handicraft, Mrs. R. Shaw, Picture Butte; education, Mrs. A. Binder, Turin; United Nations, Mrs. G. George, Travers; social service, Mrs B. Kerby, Iron Springs; home economics, Mrs. T. Nolon, Picture Butte.

A presentation on behalf of the branches was made to Mrs. E. T. O'Seen, retiring chairman by Mrs. Ethel Dunn. A doll donated by Mrs. H. M. Haney for District 4 Girls' Club was drawn for and won by Mrs. G. Hill of Sundial.

The date for the convener's meeting was set for Sept. 20, at the Sundial Community Centre. The next year's conference will be held in Travers. Mrs. Dave Oliver gave the courtesy report.

The dinner and lunch after the meeting was served by the Sundial WI.

LITTLE LADIES GIRLS' CLUB

Travers' Little Ladies Girls' Club held their 1961 achievement program in the Community Hall.

The program opened with the singing of "O' Canada," then the repeating of "The Creed." The salute to the flag was given. Paula Walker welcomed everyone to the program, followed by a song about girls' club. The girls then displayed their scrap books they had compiled this term. Some of the articles the girls had made were modeled. Linda Howg recited a very amusing poem. Junior public speaking by Aleah Steeves was next.

Terry Watson took everyone in the audience on a lion hunt, which proved to be very interesting. Gordon George then showed some of the movie films they had taken on their holidays in California. Next was intermediate public speaking by Terry Watson.

The presentation of gifts to Mrs. Gleb and the Gleb girls was made by Mrs. Esther Tolsdorf. The president then presented gifts to the supervisor, Mrs. Esther Tolsdorf and the assistant supervisor, Mrs. Hilda Gleb.

Mrs. Tolsdorf gave the names and marks of the girls who had won the trip to Olds to the girls' convention. Those who will be attending are Aleah Steeves, Sharon Gleb, Linda Howg, Linnette Tolsdorf and Donna Root. All the handicraft that had been done throughout the year was on display.

QUEENSTOWN

Get well wishes are extended to Stanley Brown who was admitted to Belcher Hospital on Tuesday of last week.

Get well wishes are also extended to C. Nelson who is confined to bed at home.

Visiting at the home of Mr. and Mrs. Don McCord are Mrs. McCord's sister-in-law, Mrs. Doris Arntsen and family of Beechy, Sask.

Roy Brown had the misfortune to fall and cut his head the early part of last week and had to be rushed to Vulcan where it took five stitches to close the wound.

Guests at the home of Mr. and Mrs. J. Lahd last week included Mrs. Lahd's sister, Mrs. Fairbanks, Mrs. Lahd's aunts, Miss Susan Brown and Mrs. Hodgkin, all of Calgary. Mr. and Mrs. Lahd and their guests attended the Millarville Race Meet on July 1.

Mr. and Mrs. Gaul of Calgary visited at the home of the latter's brother-in-law and sister, Mr. and Mrs. Walter Kowalewski over the long weekend.

Approximately 18 ladies gathered at the Legion Hall on Thursday evening to extend best wishes to Mrs. Milly Conklin who, with her family, will be moving to Prince George, B.C., where Mr. Conklin will be employed. Mrs. Leigh Robertson presented Mrs. Conklin with a set of luggage on behalf of the community. The evening was spent by contests of various kinds.

Mr. and Mrs. Jack Bushell returned from Prince George over the weekend. There they visited at the home of Jack's sister, Dorothy. They also called on Leo Conklin and report that the new home of the Conklin family is near completion.

Mr. and Mrs. Gordon Boyd motored to Edmonton last week.

Miss Eileen Edwards visited at her parent's home over the long weekend.

REGULAR FRIDAY and SATURDAY SALES

Please Note: —We are open every Thursday night until 11 p.m.. Please bring your livestock in early.

LAST WEEK'S MARKET REPORT

FRIDAY, JUNE 30th— We had no strictly choice butcher steers but our market was very good. Good to low choice steers over 1000 lbs. $18.50 to $20.10. The demand is quite a bit slower on those steers weighing under 1000 lbs. Heifers were slower with good to near choice $15.00 to $17.00. Good cows $11.00 to $13.00. Bulls to $17.30. Cows and calves are very hard to move at, from 130 to 160. Stock steers 17 to 20 cents. Stock heifers very slow at 12 to 15 cents.

We suggest that you do not panic in the marketing of your cattle. We feel that good cattle will be in demand at steady prices.

BALE TWICE AS FAST WITH HALF THE LABOR!

Today there's a new way to bale—that lets one man bale and load faster than a 2- or 3-man team! The new system consists of a New Holland Hayliner plus a simple, foolproof mechanism that "airlifts" the bales into a trailing wagon.

It costs surprisingly little. In fact, the lowest priced Hayliner—the new Compact Hayliner 65 with Tele-Flow feed—costs no more with Bale-Thrower than many balers without automatic wagon loading! You get the job done in half the time—all by yourself! See us about a demonstration today.

THE COMPACT HAYLINER "65"

Has all the outstanding features of balers selling for much more money — plus features most balers do not have to offer.

12"x16" bale chamber, bale length from 14" to 48" — in a size to your wishes.

Bale plunger is supported on rollers with sealed ball bearings — no wood slides to wear out rapidly.

Connecting rod on plunger is equipped with sealed ball bearings (most balers use brass bushings here).

Tele-Flow feeding system handles hay gently, saving the soft leaves of leafy hay.

High-capacity baling performance. This cuts your baling time.

Swinging draw-bar for moving convenience, with five operating positions.

Triple purpose bale chute (1) Straight, (2) Left roll-off, (3) Wagon loading chute.

All these outstanding features mean greater baler value for your invested dollar.

July 1 Celebration

(Continued From Front Page)

Texaco and Imperial companies were represented and among other entries was the usual brightly decorated flotilla of bicycles which is a must for any parade.

The prize list for various parade sections has not yet been made up as some entries have not yet contacted officials for their awards. They are asked to do so as soon as possible.

Afternoon Schedule

Baseball, foot races and horseshoe tournament, interspersed with gymkhana events filled out the successful afternoon schedule of the Elks July 1st Celebration.

In the baseball opener before crowds estimated at in similar number to attendance last year, Vulcan Elks were defeated by the Granum Warriors by a 15-9 score. The second contest between Champion and Coaldale went in Champion's favor. They came up with the $60.00 top prize money by defeating Granhm. Granum received second money of $40.00, and $25.00 each went to Vulcan and Coaldale.

Winner in the first event of the horseshoe tournament were McCullough and Marchand, while in the second event winners were Hubbard and R. Haga.

Throughout the afternoon events the grounds were crawling with the young guests of the Elks organization. At the gate-opening rush for the ice cream and soft drink stands one of the dispensing staff claimed they went through five tubs of ice cream before there was time to raise a head. One lad, at a rough estimate, figured he had downed 20 cones and the time was only mid-afternoon.

A new innovation to celebration activities, a wind-up street dance, was held downtown beginning at 9:00 p.m. The music of the Lethbridge Country Capers drew a large following of teen-agers and more than a smattering of the 20 to 60 group. Draw for the electric train set was made with the name of Bill Boebuck pulled out as the

HAY CUTTING

Hon. Gordon E. Taylor, Minister of Highways, announced recently that anyone wishing to cut the hay and grass on the right of way of highways that are under the jurisdiction of the Department of Highways should apply to the District Engineer of the area. The district engineer will approve such applications on a basis of "first come, first served."

The practice of the department has been to give priority to the farmer whose land adjoins the right of way permission to cut the hay, but in view of the possible shortage of feed the Department has adopted the above open policy. It is anticipated that a very large amount of hay can be secured this way.

ENGAGEMENT ANNOUNCED
